TESTIMONIALS

“This is my second year of attending the conference. As an educator at a higher institution in the Philippines, **having this kind of international event provided me additional knowledge, particularly on SDGs, to apply in my teaching.** It is an effective way to learn from the presenters.”

Reynaldo Ramos, 2021 Participant | Academia
The Philippines

“It was an amazing experience. Seeing what other people around the world are doing in the development space is encouraging. **There is hope for the coming years. 2030 is the goal.**”

Olanrewaju Alagbe, 2022 Participant | Government
Nigeria

“This experience allows the building of a common response to our generational challenges. **This is the way to answer the Secretary General's call to collective action to solve global issues.**”

Ludovica Chiappini, 2022 Presenter | Private Sector
France

“[A great] opportunity **for students from developing or poor countries to present their studies for free** and remotely, in addition to the rich exchange of knowledge with people from various parts of the world! ”

Emmanuel Pereira de Carvalho, 2022 Presenter | Academia
Brazil
